

MKPS UNIFORM SHOP & CLOTHING POOL INFORMATION

Dear current and future MKPS Families,

Our Uniform shop and clothing pool is open from 8:30–9:30am on Thursday mornings.

New items can be ordered via:

- Flexischools app 
- Flexischools website - <https://user.flexischools.com.au/register>
- Uniform shop on Thursday mornings - cash or Eftpos payments accepted

To avoid disappointment, it is recommended to order via Flexischools if we are low on stock of any items. Flexischool orders will be delivered to your child's classroom the following Thursday. Our new families will be notified when orders are ready for collection.

Goods will be accepted for refund/exchange if they are not worn, and returned in the original packaging with labels, within 30 days of purchase. Once a garment has been washed, it is considered second hand and may not be returned for a refund (unless being donated to our clothing pool).

The Clothing Pool has a small selection of second-hand uniforms which can be inspected and purchased for a small fee at the uniform shop. We do not accept orders for second hand uniforms as the stock changes regularly. You can donate uniforms in good, wearable condition when your child no longer needs them.

Eftpos payments onsite at the Uniform shop have a 2% surcharge.

Please email mkpsclothingpool@gmail.com if you have any queries.

Regards

Laura Herbert & April Hudson

***** Please note that the uniform shop is run by parent volunteers with other work commitments. The email address may only be checked once a week, so you may not get a reply straight away. *****
